EDUCATION:

ASHLAND HIGH SCHOOL
2022-2026

High School Diploma
GPA: 4.34 (weighted)

THE UNIVERSITY OF TEXAS AT DALLAS
2026-2030

B.S. in Computer Science

SKILLS:

- Python
- JavaScript
- HTML
- OpenCV
- VS Code
- GitHub
- Microsoft Office

AREAS OF INTEREST:

- Artificial Intelligence
- Machine Learning
- Web Development
- Large Language Models
- Data Analysis
- Digital Marketing
- Business Analytics

AWARDS:

- Ohio Academy of Science - Superior Rating
- Ohio Academy of Science - State Qualifier
- Presidential Academic Excellence Award

SUMMARY:

I am a Computer Science student at the University of Texas at Dallas with interests in artificial intelligence, software engineering, and data science. I have experience in research, web development, and leadership through academic, research, and community initiatives. I am passionate about building innovative technology to solve real-world problems.

PROJECTS:

EMOTIONAI

NOV 2024-PRESENT

Research Project

- Designed an AI-powered mental health research model focused on facial emotion recognition
- Used Python, OpenCV, Anaconda, and Jupyter
- Planning future integration of machine learning models and applications in companies

LLM RESEARCH PROJECT - RESEARCH ASSISTANT

MAY 2025-PRESENT

The Ohio State University

- Research-to-practice study examining the role of Large Language Models as a collaborative tool for software developers
- Assisted in programming interactions between subjects and LLMs across 30 programming tasks from Python fundamentals to object-oriented design.
- Applied concepts from sociocultural learning theory and AI-assisted education to investigate how LLMs can support programming
- **Research Publication (In-Progress):** *"Insights from the Use of LLMs by Emerging Software Developers."*

PROFESSIONAL EXPERIENCE:

WEBMASTER

AUG 2023-PRESENT

Ashland Chapter - Ohio Genealogical Society

- Redesigned and maintained the organization's website using WordPress to improve accessibility and user experience
- Organized over 100,000 names to provide an accurate data collection of index resources

LEADERSHIP & VOLUNTEER EXPERIENCE:

PSAT/SAT ENGLISH COACH

AUG 2024-DEC 2025

North South Foundation - USA

- Database administration and website design
- Built the logic for a streamlined ad-serving platform that scaled
- Educational institutions and Blackboard online classroom management
